

Application Install

TAS Books Not Opening for Walsh & Associates MicroPay Update

1. TAS Books run-time error '53' after MicroPay been updated

2. Login as vadmin2 and navigate to "Z:\IT\IT Dept\Workgroup PSQL for TAS" and run the .exe as administrator.
3. Follow through the wizard to uninstall and restart the VD if required.
4. Run the .exe again and install using the wizard again (run as a services if it's Walsh-2 your working on)
5. Login as the user and check TAS
